

# KREOA COMPLAINT FORM

Depending on the nature of the issue, KREOA generally recommends you discussing the problem with the property owner in question prior to submitting a complaint **unless the situation causes a concern for your safety.**

If the issue is not a violation of the KREOA [CC&Rs](#), KREOA recommends contacting the appropriate [enforcement agency](#).

When submitting a complaint, please include any documentation legally obtained for board review. This information will be used to further support your claim during the review process.
